

Publications Library

Action for Blind People provides free, impartial information and advice on all issues connected with sight loss to blind and partially sighted people, their families, friends, carers, professionals and service providers.

Our publications are available in a variety of formats

You can download PDFs in colour and black and white and Word versions in large print from our website here www.actionforblindpeople.org.uk

Publications can also be requested in print, Braille, tape or CD. Please see the last page for details.

The publications are provided free of charge; however we do appreciate reimbursement of postage costs for bulk orders.

General Services publications

Annual Review 2007/08: Eye on the future

Eye on the Future offers you heart warming stories from the very people who use our services together with a calendar and key dates relevant to the visual impairment sector.

Take a look through this review and you will realise that sight loss need not prevent anyone from achieving their aspirations.

Financial Review 2007/08

Financial statements for the year ended 31 March 2008 together with directors' report and independent auditors' report.

Making It Happen - We put visually impaired people first

Useful for people who are unaware of Action.
